

## Chelmarsh Sailing Club Risk Assessment: OWS

Date of Assessment: 07-Jan-22  
 Assessed by: David Bibby, Terry Gumbley, Richard Woods

Area of Assessment: Open Water Swimming

			SEVERITY of HARM (S)				
			1 Minor harm <i>(minor injury)</i>	2 Slightly harmful <i>(incapacitated for up to 3 days)</i>	3 Harmful <i>(incapacitated for over 3 days)</i>	4 Major harm <i>(eg loss of sight, broken limbs)</i>	5 Extreme harm <i>(fatality or fatalities)</i>
LIKELIHOOD	1	Highly unlikely	1	2	3	4	5
	2	Unlikely	2	4	6	8	10
	3	Possible	3	6	9	12	15
	4	Likely	4	8	12	16	20
	5	Highly likely	5	10	15	20	25

Activity	Hazards	Before Control Measures			Control Measures in Place	After Control Measures			Further Action Required?	Related procedures
		Likelihood	Severity	Risk		Likelihood	Severity	Risk		
Swimming	Panic	2	4	8	Attend a NOWCA Open Water Course or safety briefing before swim to learn how to relax and stay confident. Swimmers must be able to demonstrate that they are capable of completing each designated distance within the lake before being allowed to progress. Only competent swimmers are allowed to go into the water. As part of the swimmers rules set out in NOWCA rules and advised to each swimmer they must swim in the water with a swimming partner (where possible) who can raise the alarm if the other swimmer gets in trouble or has not exited the water for any reason. They do not have to be close together but aware where the other swimmer is and what they are doing.	1	3	3		Chelmarsh Sailing Club OWS SOP
Swimming	Cuts from entering water/ infection	1	3	3	Ask swimmers to be careful when entering and exiting. Wash all cuts with clean cold water and clean with an antibacterial wipe before applying a sterile dressing such as a plaster. Ensure recorded in the accident log-book. Regular check of entry and exit areas where swimmers enter exit. Advise swimmer to monitor and seek medical attention if any bleeding, discolouration, redness, sensitivity or pain persists.	1	3	3	consider entry lane temporary cover (roll of fake grass)	Chelmarsh Sailing Club OWS SOP

Activity	Hazards	Before Control Measures			Control Measures in Place	After Control Measures			Further Action Required?	Related procedures
		Likelihood	Severity	Risk		Likelihood	Severity	Risk		
Swimming	Covid Transmission	2	5	10	One on-water lifeguard for courses 400m and under, extra lifeguard on water when 750m courses open. Numbers monitored and fixed to ensure on water lifeguards can safely manage swimmers in a controlled area. Separate coaching area to be set out to allow for a trained coach to co-currently provide introduction courses to new swimmers to ensure their ability in open water. It will be made clear that we reserve the right to refuse water entry to anyone that we feel does not have adequate swimming ability and as such might be a danger to themselves, our members and other swimmers. In the instance of rescue lifeguards are instructed in the first instance to provide long-tow rescue as trained using torpedo buoys and throw ropes. If short-tow is required they must ensure as per their training that the casualty is facing away.	1	5	5	Social distancing with SUP rescue. Torpedo bouys mentioned but detail reqd: Training to include covid procedures for SUP rescue	Chelmarsh Sailing Club OWS SOP
General	Weils Disease (and other water bourne pathogens)	2	4	8	Cuts to be covered by waterproof plasters Water users to avoid water ingestion if in reservoir Water users encouraged to wash hand before eating and shower at end of day Known issues to be advised on club notice boards and social media via H&S Officer Instructors to brief students of risks	1	4	4	How do outbreaks in other local water systems get communicated?	Senior Instructor briefing checklist
General	Medical Emergency	2	5	10	Safety SUP on water with trained personel available Emergency procedures are displayed in clubhouse Swim Manager?(Senior Instructor or Officer of Day) to lead incident response List of trained club first aiders maintained and displayed on club notice boards - Swim Manager ensures First Aider on site Telephone and emergency contact details displayed by phones in clubhouse (in bar and by carpark door)	2	4	8	Club EP overriding	Chelmarsh Sailing Club Emergency procedure
